

Forecast for Local Construction Market in 2010-2012

Presented by FMI Corporation

Thursday, March 25, 2010 | 8:00am – Noon

Is the economy turning all you've built into a train wreck?

- Is it time to jump into other markets?
- What is the impact of stimulus dollars?
- Is your business prepared and organized to prosper in this market?
- Is your business plan sound and satisfactory for the banks and sureties?
